

A Christmas Dream

Kotimaan joulu by Pieter Sigmundt

Am **Dm**
When candles of Christmas are burning
G7 **C**
to childhood my thoughts are re-turn-ing,
E7 Am **Dm G7**
my home I shall always re-mem-ber
C E7
with longing and tears in my heart!

Am **Dm7**
I miss the Christmas I used to know,
G7 **Cmaj7**
the magical stillness the sparkling snow,
F G7 Am
the words of love and the bells that chime,
Dm E7 Am
the hope for peace till the end of time .. I **repeat**

Am **Dm**
The stars tell a wonderful story
G7 **C**
of grace and of heavenly glory,
E7 Am **Dm G7**
they shine on my faraway homeland
C E7
and tell of the longing I feel.

Am **Dm7**
But like the star above Bethlehem,
G7 **Cmaj7**
they show me the way and I follow them,
F G7 Am
my thoughts all go to a distant shore -
Dm E7 Am
my Christmas dream will come true once more! .. But **repeat**

Ah first Chorus once more till last phrase:

Dm E7 Am
the hope for peace till the end of time
E7 Am
... for peace till the end of time
