

# Carol Our Christmas

F Am Bb C  
Carol our Christmas, an upside down Christmas;  
F C/E G7/D C  
snow is not falling and trees are not bare.

F Am Bb C  
Carol the summer, and welcome the Christ Child,  
C/Bb F/A Bb C7 F  
warm in our sunshine and sweetness of air.

F Am Bb C  
Sing of the gold and the green and the sparkle,  
F C/E G7/D C  
water and river and lure of the beach.

F Am Bb C  
Sing in the happiness of open spaces,  
C/Bb F/A Bb C7 F  
sing a na-tivity summer can reach!

F Am Bb C  
Shepherds and musterers move over hillsides,  
F C/E G7/D C  
finding, not angels, but sheep to be shorn;  
F Am Bb C  
wise ones make journeys whatever the season,  
C/Bb F/A Bb C7 F  
searching for signs of the truth to be born.

F Am Bb C  
Right side up Christmas belongs - to the universe,  
F C/E G7/D C  
made in the moment a woman gives birth;  
F Am Bb C  
hope is the Jesus gift, love is the offering,  
C/Bb F/A Bb C7 F  
everywhere, anywhere, here on the earth. **Repeat**
