**Bb** **Cm7 F7** **Eb Bb**  
They're tuning up the fid—dles now, The fiddles now, the fid-dles now,  
**F** **C7** **F7**  
There's wine to warm the middles now, And set your head a-whirl.

**Bb** **Cm7 F7** **Eb Bb**  
Around and round the room we go, The room we go, the room we go,  
**F** **C7 F7** **Bb**  
Around and round the room we go, So get yourself a girl.

**F7** **Bb** **F7** **Bb**  
Now ev'ry heart will start to tingle, When sleigh bells jingle on Santa's sleigh,  
**F7** **Bb**  
Together we will greet Kris Kringle, And another Christmas Day.

**Bb** **Eb** **Ab** **Eb**  
Come on and dance the Merry Christmas Polka, Let every one be happy and gay,  
**Ab** **Bb7** **Eb** **Cm7**  
Oh, it's the time to be jolly And deck the halls with holly,  
**Fm** **Bb7**  
So let's have a jolly holi-day.

**Bb** **Eb** **Ab** **G7**  
Come on and dance the Merry Christmas Polka, Another joyous season has begun,  
**Ab** **Bb7** **Eb** **Cm7**  
Roll out the Yuletide barrels, And sing out the carols,  
**Fm** **Eb**  
A merry Christmas ev'ry-one!

**Bb** **Eb** **Ab** **Eb**  
Come on and dance the Merry Christmas Polka, Let ev'ry lady step with her beau,  
**Ab** **Bb7** **Eb** **Cm7**  
Around a tree to the ceiling, With lots of time for stealing,  
**Fm** **Bb7**  
Those kisses beneath the mistletoe.

**Bb** **Eb** **Ab** **G7**  
Come on and dance the Merry Christmas Polka, With ev'ry-body joining in the fun,  
**Ab** **Bb7** **Eb** **Cm7**  
Roll out the barrels that cheer you, And shout till they hear you,  
**Fm** **Eb**  
A merry Christmas ev'ryone!
