**G** **Am7 D7** **C G**  
They're tuning up the fid—dles now, The fiddles now, the fid-dles now,  
**D** **A7** **D7**  
There's wine to warm the middles now, And set your head a-whirl.

**G** **Am7 D7** **C G**  
Around and round the room we go, The room we go, the room we go,  
**D** **A7 D7** **G**  
Around and round the room we go, So get yourself a girl.

**D7** **G** **D7** **G**  
Now ev'ry heart will start to tingle, When sleigh bells jingle on Santa's sleigh,  
**D7** **G**  
Together we will greet Kris Kringle, And another Christmas Day.

**G** **C** **F** **C**  
Come on and dance the Merry Christmas Polka, Let every one be happy and gay,  
**F** **G7** **C** **Am7**  
Oh, it's the time to be jolly And deck the halls with holly,  
**Dm** **G7**  
So let's have a jolly holi-day.

**G** **C** **F** **E7**  
Come on and dance the Merry Christmas Polka, Another joyous season has begun,  
**F** **G7** **C** **Am7**  
Roll out the Yuletide barrels, And sing out the carols,  
**Dm** **C**  
A merry Christmas ev'ry-one!

**G** **C** **F** **C**  
Come on and dance the Merry Christmas Polka, Let ev'ry lady step with her beau,  
**F** **G7** **C** **Am7**  
Around a tree to the ceiling, With lots of time for stealing,  
**Dm** **G7**  
Those kisses beneath the mistletoe.

**G** **C** **F** **E7**  
Come on and dance the Merry Christmas Polka, With ev'ry-body joining in the fun,  
**F** **G7** **C** **Am7**  
Roll out the barrels that cheer you, And shout till they hear you,  
**Dm** **C**  
A merry Christmas ev'ryone!
