Softly

Eb **Bb7** **Eb**
Sense now the beauty; the peace of Bodmin Moor,
Eb **Ab** **Eb** **Bb7**
Ride with the breakers towards the Sennen shore,
Eb **Ab** **Bb7**
Let firm hands fondle the boulders of Trencrom,
Bb7 **Eb** **Bb7** **Eb**
Sing with all fervour then the great Trelawny song.

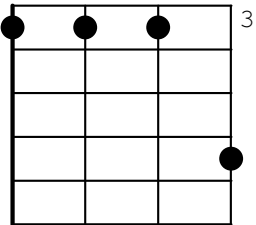

Loudly

Eb **Bb7** **Eb**
Hail to the Homeland; of thee we are a part,
Eb **Ab** **Eb** **Bb7**
Great pulse of freedom in every Cornish heart,
Eb **Ab** **Bb7**
Prompt us and guide us; endow us with thy power,
Bb7 **Eb** **Bb7** **Eb**
Lace us with liberty to face this changing hour.

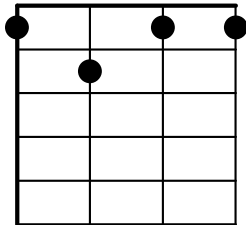

Skipped

Eb **Bb7** **Eb**
Hail to the Homeland! Great bastion of the free,
Eb **Ab** **Eb** **Bb7**
Hear now thy children proclaim their love for thee,
Eb **Ab** **Bb7**
Ageless thy splendour, undimmed thy Celtic Flame,
Bb7 **Eb** **Bb7** **Eb**
Proudly our souls reflect the glory of thy name.
