

# I'm In The Mood For Love

<sup>C</sup> I'm in the <sup>Am</sup> mood for <sup>Dm</sup> love  
<sup>G7</sup> Simply because you're <sup>C</sup> near me  
<sup>Am</sup> Funny but when you're <sup>Dm</sup> near me  
<sup>G7</sup> I'm in the <sup>C</sup> mood for love

<sup>Am</sup> Heaven is in your <sup>Dm</sup> eyes  
<sup>G7</sup> Bright as the stars we're <sup>C</sup> under  
<sup>Am</sup> Oh is it any <sup>Dm</sup> wonder  
<sup>G7</sup> I'm in the <sup>C</sup> mood for love

<sup>Dm</sup> Why stop to think of <sup>G7</sup> whether <sup>C</sup>  
<sup>Dm</sup> This little dream might <sup>G7</sup> fade <sup>C</sup>  
<sup>D7</sup> We've put our hearts <sup>Em</sup> together  
<sup>B7</sup> Now we are one <sup>Dm</sup> I'm not <sup>G7</sup> afraid

<sup>C</sup> If there's a cloud <sup>Am</sup> above <sup>Dm</sup>  
<sup>G7</sup> If it should rain we'll <sup>C</sup> let it  
<sup>Am</sup> But for tonight <sup>Dm</sup> forget it  
<sup>G7</sup> I'm in the <sup>C</sup> mood for love
