

Keep Me In Your Heart by Atlas Jinder

D A Bm Bm
Keep me in your heart
G D Em A
Don't let me slip a-way when the
G A D Bm
morning comes and those tears won't stop
G A D D
Please keep me in your heart.

D A Bm Bm
Keep me on your side
G D Em A
Well you know sometimes I run
G A D Bm
Even when the tears oh they fall from your eyes
G A D D
Please keep me on your side

Em D G D
And you know I'd wait for you a thousand years
Em D G A
Oh would you do the same for me
G A D Bm
And I would swim across the loneliest sea
G A Bm Em
If it meant that you could free my love
G A D D
Oh you mean that much to me

D A Bm Bm
Keep me on your mind
G D Em A
Even when I am far a-way
G A D Bm
And even though I know you may tire of me some day
G A D D
Please keep me in your heart

And you know I'd wait for you a thousand years

Oh would you do the same for me

And I would swim across the loneliest sea

If it meant that you could free my love

Oh you mean that much to me

Keep me in your heart

Don't let me slip a-way when the

morning comes and those tears won't stop

Please keep me in your heart my love.

Please keep me in your heart

However far apart we may be-come

Please keep me in your heart oh

Keep me in your heart.
