

My Melody of Love

I'm lookin' for a place to go so I can be all alone

From thoughts and memories

So that when the music plays I don't go back to the days

When love was you and me Oh, oh

moja droga jacie kocham Means that I love you so

Moja droga jacie kocham More than you'll ever know

Kocham chiebie cailem sertsee Love you with all my heart

Return to me and always be My melody of love

I Wish I had a place to hide all my sorrow, all my pride

I just can't get along

'cause the love that once was fine keeps on hurtin' all the time

Where did I go wrong?

la la la la la la la My melody of love

la la la la la la la My melody of love

la la la la la la la My melody of love

Return to me and always be My melody of love
