

These are my mountains

D For fame and for fortune I wandered the earth
G **D** **A7**
And now I've come back to the land of my birth
D **D7** **G**
I've brought back my treasures but only to find
D **A7** **D**
They're less than the pleasures I first left behind

D For these are my mountains and this is my glen
G **A7**
The braes of my childhood will know me again
D **G**
No land's ever claimed me tho' far I did roam
D **A7** **D**
For these are my mountains and I'm coming home

D The berm by the road sings at my going by
G **D** **A7**
The lark overhead wings a welcoming cry
D **D7** **G**
The loch where the scart flies at last I can see
D **A7** **D**
It's here where my heart lies it's here I'll be free

Chorus

D Kind faces will meet me and welcome me in
G **D** **A7**
And how they will greet me my ain kith and kin
D **D7** **G**
The night by the ingle old songs will be sung
D **A7** **D**
At last I'll be hearing my ain mother tongue.

Chorus
