

White Rose of Athens

F

The summer days are ending in the valley

C7

And soon the time will come When we must be apart

F

F

Now you must start your journey to the city

C7

And leave me till Another spring-time comes around

F

F

C7

Till the white rose blooms again

Gm7 Am F

You must leave me, leave me lonely

C7

So goodbye my love till then

Gm7 Am

C7

F

Till the white rose blooms again

F

The autumn leaves - are falling in the valley

C7

And soon the winter snow Will lie upon the ground

F

F

But like the rose That comes back with the springtime

C7

You will return to me When springtime comes around

F

F

C7

Till the white rose blooms again

Gm7 Am F

You must leave me, leave me lonely

C7

So goodbye my love till then

Gm7 Am

Till the white rose blooms again
