

# The Wild Rose Villiruusu

**Gm D7 Gm D7**  
There lives within the forest A rose so sweet and shy

**Gm Cm Gm D7 Gm**  
in secret and seclusion From all who might pass by

**Bb Cm F D Gm Eb7 D**  
**2x** No storm can ever reach so deep Within the guarding trees that keep

**Gm Cm Gm D7 Gm**  
This lovely rose so safe That I found by chance one day

**Gm D7 Gm D7**  
The summer days are warm there contentedly the rose

**Gm Cm Gm D7 Gm**  
Blossoms in peaceful secret and no one ever knows

**Bb Cm F D Gm Eb7 D**  
**2x** its innocence and purity Its fragrant, calm security.

**Gm Cm Gm D7 Gm**  
You are that tender rose, dear Of all, the loveliest one.

**Gm D7 Gm D7**  
When gentle summer rains come they freshen your sweet face

**Gm Cm Gm D7 Gm**  
Oh, what a glowing charm then augment your natural grace.

**Bb Cm F D Gm Eb7 D**  
**2x** I truly love this sky, sweet flow'r My love increases with each hour.

**Gm Cm Gm D7 Gm**  
You are that tender rose, dear Of all, the loveliest one.

**Gm D7 Gm D7**  
I would not pluck this rose Nor do harm in any way

**Gm Cm Gm D7 Gm**  
And should another do so How sad would be that day

**Bb Cm F D Gm Eb7 D**  
**2x** If only you were mine alone For me to guard and call my own

**Gm Cm Gm D7 Gm**  
You are that tender rose, dear Of all, the loveliest one.
