

You're Just In Love by Irving Berlin

F I hear	singing and there's	no one there	-
You don't need	analyzin'	It is not	so surprisin'
I smell	blossoms and the	C7 trees are bare	-
That you feel	very strange but	nice	-
All day	long I seem to	walk on air	- I wonder
Your heart goes	pitter-patter	I know just	what's the matter
F why	, I wonder	why	-
Because I've	been there once or	twice	-
I keep	tossing in my	sleep at night	-
Put your head	on my shoulder	You need some	- one who's older
And what's	F7 more, I've lost my	Bb appetite	-
A rub down	with a velvet	glove	-
Stars that	used to twinkle	F in the skies	- Are twinkling
There is nothing	you can take	To relieve that	pleasant ache
C7 in my eyes	I wonder	F why	-
You're not sick, you're	just in	love	-

I hear singing and there's no one there;
 I smell blossoms and the trees are bare
 All day long I seem to walk on air I wonder why, I wonder why?
 I keep tossing in my sleep at night;
 And what's more, I've lost my appetite
 Stars that used to twinkle in the skies Are twinkling in my eyes, I wonder why?

You don't need analyzin'
 It is not so surprisin'
 That you feel very strange but nice

Your heart goes pitter-patter
 I know just what's the matter
 Because I've been there once or twice

Put your head on my shoulder
 You need someone who's older
 A rub down with a velvet glove

There is nothing you can take
 To relieve that pleasant ache
 You're not sick, you're just in love!
